

Auto Restoration

We'll Bring Your Classic Back to Life.

Don't let it rot away in your garage! Full Tilt will restore your classic car back to its former glory. Our team has the equipment and knowledge to finish your project so you can get it back on the road where it belongs.

Our Restoration Process:

1. Research your specific make and model
2. Discuss your desired color scheme
3. Source the best quality parts that are still available
4. Fabricate parts that are no longer available for purchase
5. Implement restoration plan to exact customer specifications
6. Scrutinize all final details prior to delivery
